Help Guide The Direction Of The Hotel Industry

PAC

When your MMHLA PAC contribution is combined with those of your industry colleagues, it will have an even greater impact on the outcome of local and state elections. Your support of MMHLA PAC is critically important to help elect congressional candidates who are responsive to the concerns of our industry.

Would you let government dictate your hiring practices, over-regulate your business, or increase your taxes without speaking up? Yet, this is exactly what happens if you do not contribute to MMHLA PAC. Your investment in MMHLA PAC yields both individual and industry dividends because these funds are used to support candidates for State and Local offices who advance policies promoting tourism that fill hotel rooms.

A more pro-business legislature opposes legislation and regulations that negatively impact your bottom line, such as excessive taxation and unnecessary workplace regulations. A well-funded MMHLA PAC can make a difference by electing representatives who will give the lodging industry a strong voice in the debate on such issues.

MMHLA PAC is a voluntary, nonprofit, bipartisan political action committee (PAC) that exists to help elect qualified individuals to local and statewide office who support the lodging industry. MMHLA PAC uses all contributions for political purposes and is subject to the prohibitions and limitations of the Federal Election Campaign Act.

Contributions to MMHLA PAC are voluntary and not deductible as charitable contributions for federal income tax purposes.

Guidelines for contributions in this brochure are merely suggestions. You may contribute a maximum of \$5,000 per year to MMHLA PAC. A copy of our report is filed with the State Election Commission.
